July 2009

Greetings, Notre Dame Family,

This is our annual invitation to renew your membership and stay connected with the Phoenix Notre Dame Club. You will note some exciting changes to our dues letter this year. The Board of Directors works hard through the year to serve you, and I wanted to highlight some of that for you in this letter. In addition, the Board recognizes there are differing levels of involvement with our local alum and so, we've structured our dues differently this year to better reflect your needs.

This year, our Club was recognized by the UND Alumni Association as one of the top three clubs of its size for our many outstanding activities, events and outreach to the community. Enclosed is an insert that provides an overview of the Club's involvement. As alumni, our love and passion for Our Lady's University bring us together, promoting and demonstrating the Notre Dame spirit here in Arizona. Our mission is to make the Club the best it can be.

As mentioned above, the Board decided our dues structure needs to change to reflect the varying levels of involvement by our membership. We wanted to reach for a stronger financial foundation that will enable us to continue our many programs, bring more value to your membership in the club, without raising the basic dues level in these challenging economic times.

We are therefore implementing a tiered dues structure, which is explained in detail in an enclosed insert. Your dues and contributions go to support our events, newsletters, charitable donations as well as fund scholarships for local Notre Dame students. We invite those who have the ability and willingness to support the Club financially in a stronger way to do so, and we provide appropriate incentives for that support.

We will be mailing the Fall newsletter to each person on our membership list. Subsequent newsletters will be mailed to dues paying members only. As always, you can also stay current with Club activities at our website: www.ndclubofphoenix.com. You can also pay your dues online this year. **IMPORTANT NOTE: If our Club is allocated any bowl game tickets this year, ONLY dues paying members as of October 31, 2009 will be eligible to participate in the lottery for these tickets**.

We hope you will join us at the Club's events through the coming year. Football Watch Parties will be every football Saturday at the **Scottsdale Native New Yorker**, located at 9030 E. Via Linda in Scottsdale. As always, we appreciate your participation and support.

Yours in Notre Dame,

Margaret Gillespie '77
President, Notre Dame Club of Phoenix
